<i>Defendant.</i>)	

STIPULATION

1. By previous order, this matter was set for a status conference on September 26, 2023.
2. By this stipulation, Defendant Christian Flores now moves to continue the status conference until **October 17, 2023, at 09:00 a.m.**, and to exclude time between September 26, 2023 and October 17, 2023 under Local Code T4.
3. The parties agree and stipulate, and request that the Court find the following:
 - a) The government has represented that the discovery associated with this case has been produced to counsel, and has made supplemental discovery available for defense counsel's review.
 - b) The government also recently presented Mr. Flores with a plea offer. Counsel for defendant desires additional time to review the offer with her client.
 - c) Counsel for Mr. Flores believe the failure to grant the above-requested continuance would deny him the reasonable time necessary for effective preparation, taking into

account the exercise of due diligence.

d) The government does not object to the continuance.

e) Based on the above-stated findings, the ends of justice served by continuing the case as requested outweigh the interest of the public and Mr. Flores in a trial within the original date prescribed by the Speedy Trial Act.

f) For the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within which trial must commence, the time period of September 26, 2023 to October 17, 2023, inclusive, is deemed excludable pursuant to 18 U.S.C. § 3161(h)(7)(A), B(iv) [Local Code T4] because it results from a continuance granted by the Court at defendant's request on the basis of the Court's finding that the ends of justice served by taking such action outweigh the best interest of the public and the defendant in a speedy trial.
